Last Pre-Season Tailgate 2008

August 28, 2008 – The last pre-season tailgate was another success despite the rainy weather. We had plenty of good food. The menu was grilled shrimp, meatballs, hamburgers, hot dogs and rice. After the game, everyone enjoyed more food and drink.

Thanks to everyone for pitching in!

Ravens Home Opener 2008

September 7, 2008 – This was the largest tailgate yet with almost 60 people! The weather was great, the Ravens won and everyone was Wacco for Flacco! We even had a TV crew from Ohio stop by and interview Brian and Dave. The food gets better and better with a menu of scrambled eggs, bacon, scrapple, English muffins, hamburgers, hot dogs, chili, spaghetti and corn bread. The after game tailgate is becoming quite popular. We ran out of burger and hot dogs this time!

Thanks Don and everyone for working as a team to help with the cooking, set-up and breakdown.

BTS Enjoys 3 Brothers

September 13, 2008 – 3 Brothers has been very supportive of BTS and what better way to say THANKS than to grab some pizza, subs and beer on a hot Saturday afternoon. We had a great turnout!

Membership Drive at Bill Bateman's

September 14, 2008 – Thanks to the 19 volunteers that came for the membership drive. Things did not quite go the way we had hoped since the Ravens game was cancelled due to Hurricane Ike. We decided to continue since Heather had already advertised the drive and we want to say thanks to Heather! In spite of that, we did receive a total of 5 applications. Another membership drive is planned for the near future.

Ravens at Home Against Cleveland

September 21, 2008 – Another big win for our Ravens! And, another great tailgating experience. The food again was outstanding and the menu was roast beef, ham, mashed potatoes, green beans, hamburgers, hot dogs, sausage & peppers, and jambalaya. Thanks to everyone for pitching in and bringing even more food. We certainly aren't going to the game hungry!
